

OFFICIAL PROPERTYSARK

CERTIFICATION

Deepak Sabharwal is part of the 13% of real estate agents who use platforms such as PropertySpark to build a strong social media presence and promote listings over social media.

As an emerging marketing channel, social media sites such as Facebook offer many advantages over conventional forms of marketing such as flyers when it comes to the promotion of new listings, allowing you to:

Get Your House Noticed

Social media advertising allows your listing to break through the clutter

Sell Your Home Faster

Facebook ad targeting ensures that the most likely buyers see your listing.

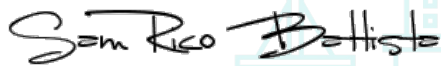

Generate Excitement

Likes, comments, and engagements help to build excitement over your listing.

If you have any more questions about the benefits of PropertySpark and advertising over social media, please visit us at propertyspark.com or contact us at **1 (800) 604-1349**.

Sincerely,

Sam Battista
CEO, PropertySpark
